EXPLANATIONS:

Lunch/Planning & Prep = Time for students to work, have lunch, walk your dog, etc. Teachers are planning and preparing for classes during this time.

Office Hours = Time for students to get help from your teachers and paraeducators. Students can ask questions, too. Ask your teachers how they are planning to manage their Office Hours. Since teachers usually teach 2 different subjects, they might devote some Office Hours to one subject and some to the other subject.

Special Services Support = Time for students' ELL teacher and paraeducators, as well as Special Education teachers and paraeducators to help students.

Senior Support/APEX = Seniors will be working on tasks needed to graduate (and WHS staff are available to help seniors at that time). Students doing APEX coursework should work on APEX at that time and/or get help from WHS staff.
